Regional Council Update - Election Process Concludes

The MFDA recently conducted a nomination process during which Members were invited to nominate candidates for election to the Regional Councils in each of the MFDA's four Regions (Atlantic, Ontario, Prairie and Pacific).

The number of candidates nominated in the Atlantic, Prairie and Pacific Regions was lower than the number of positions available on those Regional Councils. As a result, candidates nominated in those Regions were elected by acclamation. In the Ontario Region, where the number of nominated candidates exceeded the number of positions available, the MFDA conducted a mail-in Election Ballot process which concluded on May 8, 2006.
