MFDA launches new email subscription service

We are pleased to announce the launch of a free online email subscription service on the MFDA website.

Subscribers to the service, which is available to the public, can sign up to receive email alerts when new publications or documents of interest to them are posted on the MFDA website. Subscribers can choose from a list of publications such as Media Releases, Notices and Bulletins.

In order to subscribe, simply go to the MFDA website at www.mfda.ca and complete the Subscription Page by selecting from the list of publications. As soon as new information is published on the MFDA's website, you will receive an email with a direct link to the information you want.

The subscription service is self-managed. As such, subscribers can change their selection criteria whenever and as many times as they want, update their profile information or unsubscribe to the service.

The MFDA will continue to directly email MFDA Member Regulation Notices to Members' Designated Compliance Officers.

As a transition measure the MFDA will add the individuals who are currently receiving MFDA publications by email to the subscription service and those that do not wish to receive the automatic notification can cancel the subscription by clicking the "Unsubscribe" link at the bottom of the email alert.
