International Financial Reporting Standards (“IFRS”) Webcast

Staff of the MFDA and Deloitte & Touche LLP will be hosting a webcast on Friday, May 29, 2009.

This webcast will focus on common IFRS-related implementation issues and considerations for mutual fund dealers including:

- timing issues
- exemptions and exceptions
- conversion planning
- financial statement preparation
- regulatory reporting requirements, and
- planning for dual reporting in 2010

If a Member has not received an invitation or has any questions with respect to the webcast, please contact Ken Woodard, Director, Membership Services at (416) 943-4602 / kwoodard@mfd.ca.
